Leather jackets are a wardrobe staple — especially during the chilly fall and winter months — but sometimes it difficult to find one that not only looks good but will also keep you really warm. That's why we love Wolf and Lamb's re-worked vintage jackets that, at a whopping 10 pounds each, are guaranteed to keep you warm as the temperature starts to drop.

Don't show up to your next holiday soiree empty handed. Say thank you to your hostess with a thoughtful gift, like this set of soy candles by Robin McGraw Revelation that have a 10-hour burn time and unique scents inspired by the men in McGraw's life. One hundred percent of the proceeds from these candles is donated to [McGraw's foundation](http://McGraw's foundation), which helps victims of sexual and domestic abuse, so it's like you're giving two gifts for the price of one when you buy this set.
